

# Maloney joins the team!

WBLI Chartered Accountants is proud to announce that Craig Maloney, MBA, CA, CBV has joined our specialty group working in business valuations and corporate finance. As a Senior Manager, Craig will be heavily involved in servicing owner-managed businesses and professionals. He specializes in business valuation and providing strategic business advice and corporate finance advice on M&A transactions, and has developed a particular expertise in private company divestures. Prior to joining WBLI, Craig worked for two national firms in both corporate finance and audit roles, both in Toronto, Ontario. Craig is a graduate of the University of Western Ontario, receiving a Bachelor of Arts degree and completed his Masters in Business Administration at Dalhousie University and is the current Vice President for the Dalhousie MBA Alumni Association.

WBLI Chartered Accountants is Nova Scotia's largest independent full-service business advisory firm with national and international affiliations. With over 75 people, we offer a full range of financial services and business advice, from assurance and accounting services, business advisory services to specialized areas such as tax, computer and technology consulting, business valuation, M&A advisory and litigation support services.
