

Supporting Causes

WBLI staff support many community events and causes and we were very pleased to help support “Movember”.

Movember is the world’s largest charity event raising funds for cancer affecting men – specifically prostate cancer which affects 1 in 6 Canadian men in their lifetime. Each November, Movember invites men across the globe to grow moustaches while raising funds and awareness for men’s health. WBLI participated in this event to raise funds (and they raised some eyebrows around the office too! Some of the moustaches were interesting). It’s a great cause and we had fun. We look forward to participating in “Movember” again. WBLI team: Earl MacLeod, Morley Norman, Chris MacPhee, Craig Maloney, Daniel Marks, Mike MacLeod Thank you to everyone that supported our team and the cause. To donate to our team: <http://ca.movember.com/mospace/604646/>
